## **BEYOND GREEN PARTNERS HONORED AS CERTIFIED B-CORP FOR THIRD TIME**

CHICAGO, IL (November 12, 2020) – Beyond Green Sustainable Food Partners ([www.beyondgreenpartners.com](http://www.beyondgreenpartners.com)), announced today that the company has once again been honored as a Certified B Corporation. The esteemed designation is awarded to companies which consistently advance and actively work toward environmental and social solutions in their business practices. Beyond Green Partners has been certified since 2012 and this is their 3rd consecutive certification. To become a Certified B Corporation, B Lab, the nonprofit that certifies and supports B Corporations, evaluated and assessed the services of Beyond Green Partners to determine if they met the rigorous standards that B Corp upholds. To become certified, B Lab assesses companies on areas such as, but not limited to, operating practices that promote sustainability, local sourcing, and employee satisfaction.

“Beyond Green Partners continues to use the B Corp mission of corporate citizenship to serve as our guide while we navigate our continued growth. We are honored to be a part of this community and will hold this 3rd certification near to our hearts,” according to founder and CEO, Greg Christian. Christian was recognized by B Corporation with the I Have a Dream Award in 2011.

Beyond Green Sustainable Food Partners’ mission is to make sustainable, healthy food in zero-waste kitchens accessible to all. Beyond Green Partners works in local communities to bring together farmers, distributors, chefs, and consumers to build healthy, sustainable food environments.

### **About Beyond Green Partners**

Beyond Green Sustainable Food Partners is a consulting and foodservice company that promotes scratch-cooked foods, local sourcing, and zero-waste. Founded by chef and “eco-preneur”, Greg Christian, their consulting services offer customizable and measurable strategies that offset the costs of increasing quality and environmental stewardship across food, waste, energy, water, and community for institutional kitchens. Their team is devoted to client success and is pleased to provide tools that help others contribute to a healthier, cleaner, and more efficient food system while connecting with the communities they serve.

In the greater Chicago area, they operate a zero-waste foodservice company that provides local school lunches based upon fresh, scratch-cooked foods that kids love in a zero-waste kitchen. ### **About B Corporations**

Certified B Corporations are leaders of a global movement of people using business as a force for good. They meet the highest standards of overall social and environmental performance, transparency and accountability and aspire to use the power of business to solve social and environmental problems. There are more than 1,700 Certified B Corporations in over 130 industries and 50 countries with 1 unifying goal – to redefine success in business.

### **About B Lab**

B Lab is a nonprofit organization that serves a global movement of people using business as a force for good. Its vision is that one day all companies compete not only to be the best in the world, but the Best for the World® and as a result society will enjoy a more shared and durable prosperity. B Lab drives this systemic change by:

1. Building a global community of Certified B Corporations who meet the highest standards of verified, overall social and environmental performance, public transparency, and legal accountability;
2. Promoting Mission Alignment using innovative corporate structures like the benefit corporation to align the interests of business with those of society and to help high impact businesses be built to last;
3. Helping tens of thousands of businesses, investors, and institutions Measure What Matters, by using the B Impact Assessment and B Analytics to manage their impact -- and the impact of the businesses with whom they work -- with as much rigor as their profits;
4. Inspiring millions to join the movement through compelling story-telling by B the Change Media.
